

# Parker's Animal Rescue

Thank you for your interest in adopting!

How our process works:

1. Please read our adoption policies and fill out an application.
2. Give us a call during business hours to discuss interest in a cat or kitten
3. A meet and greet will be set up with you and the animal. This is about 30 minutes.
4. You will need to let us know if you'd like to adopt by the time frame specified.
5. Purchase the required items before adoption.

## **Our Mission:**

PAR is a local non-profit 501(c)(3) organization. We work closely with local and regional humane societies, spay/neuter clinics and similar organizations to rescue, transport, care for and re-home cats and kittens in need in the surrounding areas. The rescue work never stops!

Our cats and kittens are placed in loving foster homes while they're dewormed, vaccinated for FVRCP, microchipped, and spayed or neutered.

If you believe that you are able to provide a loving and safe forever home for a cat or kitten, and are able to make a \$110.00 non-refundable non-transferable adoption donation to PAR, please fill out the following application and submit it via email to:

Please contact PAR by phone, text or email if you have any questions about the application process. PAR truly appreciates your interest and looks forward to hearing from you!
